GJS Graduation Transcript

All GJS students are entitled to a school transcript upon completion of their final academic year. The transcript is an official record of the subjects taken and marks achieved.

***Based on GJS ATTENDANCE POLICY**

Approved absences in Senior Secondary are granted solely under these circumstances:

- *school sanctioned events approved by a Principal or the HOS: field trips, sporting games, examinations, competitions, university fairs, internships, study leaves and relevant educational opportunities*
- *absence with a supporting medical certificate clearly noting the day(s) of absence as well as details of the reason for the absence*
- *matters involving immediate family members: visa, bereavement, wedding*
- *matters of force majeure such as: accidents, natural disasters, political unrest*

Approved absences do not count toward the condition of 19 absences maximum.

Students with 20 or more unapproved absences do not qualify for a graduation certificate, although they are still entitled to a school transcript.

GJS understands the importance of family gatherings, outings and trips; however, these cannot be considered as an approved absence and will be counted toward the maximum of 19 days.

The above rights may be withheld pending fulfillment of all administrative responsibilities.
