### ACTIVITIES, INVOLVEMENTS, & FACILITIES

To support students to develop their **critical thinking and problem solving skills**, while also becoming **effective communicators and excellent team players**, GJS offers a broad selection of extracurricular activities. Amongst these are **National History Day, Harvard Model Congress Asia, Model United Nations, and World Scholars' Cup** where GJS students have earned an international reputation winning multiple prizes and awards.

Education at Global Jaya School is also focused on the moral and affective dimensions of life and guides students to **experience and reflect upon their values through the *Community and Service*** (Years 7-10) and **CAS (*Creativity, Activity and Service*)** (Years 11-12) programmes. These activities range from working in orphanages and teaching at local Primary schools, to working with the blind or disabled. Some of our outstanding projects are the Bekantan Twin Project, a non-profit organization founded by students to protect Borneo's Bekantan monkeys, and the annual Charity Concert for various organizations, such as "*Ikatan Sindroma Down Indonesia*" (ISDI) and special needs school for visually impaired children (SLB-A Pembina Jakarta). The **importance of ethical decision-making** is transmitted through case-studies, exposure to the traditions and core values of the five major religions of the world, and through the Theory of Knowledge component of the IB Diploma.

The school has extensive facilities that support programmes for **creative and sporting excellence**. **The Performing and Visual Arts Centre** houses the beautifully designed GJS Theater with a seating capacity of 670 and a stage measuring 9 x 18 meters, making it one of the largest theatres in the country. Classrooms, art ateliers and recording studios, designed in a cooperative effort between teachers and architects, guarantee learning spaces that support the delivery of Global Jaya School's **broad Arts programme which includes: *Instrumental Music, Vocal Music, Visual Art, Theatre, Music Technology and Film Studies***.

### INTERNATIONAL EXPOSURE

Twenty-first century virtues of international mindedness and global citizenship, which are built-into the IB curricula, are consolidated and celebrated through an array of multi-cultural visits and international sporting events. GJS prides itself in developing a unique outreach programme that allows our students to visit and cultivate ties with students such as **Taiwan, Singapore, China, Australia, the Philippines, Ukraine, Azerbaijan, Kazakhstan and Qatar**.

**Our alumni are accepted into top ranked universities around the world.**
